THE 1974 TROUBADOUR

Kendall Central School
Kendall, N.Y.

By The Troubadour Staff
And
The Class Of 1974

Co-Editors
Robin Burchfield
Kevin Hughes
Advisor
Arthur Rowley

Foreword

Much work has been put into the 1974 TROUBADOUR. The Yearbook Staff has tried to add some new and different ideas. We have put more pictures in it and have made use of poems throughout. We have chosen a light theme of the fun and good times in our school by using "Moppets." The Staff hopes every student will find something that he enjoys in this yearbook. So . . .

Here's to it

And from it

And to it again.

If ya get to it

to do it,

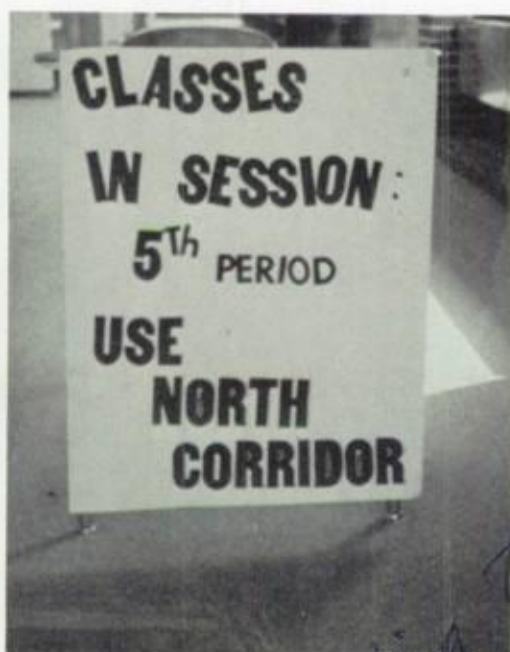

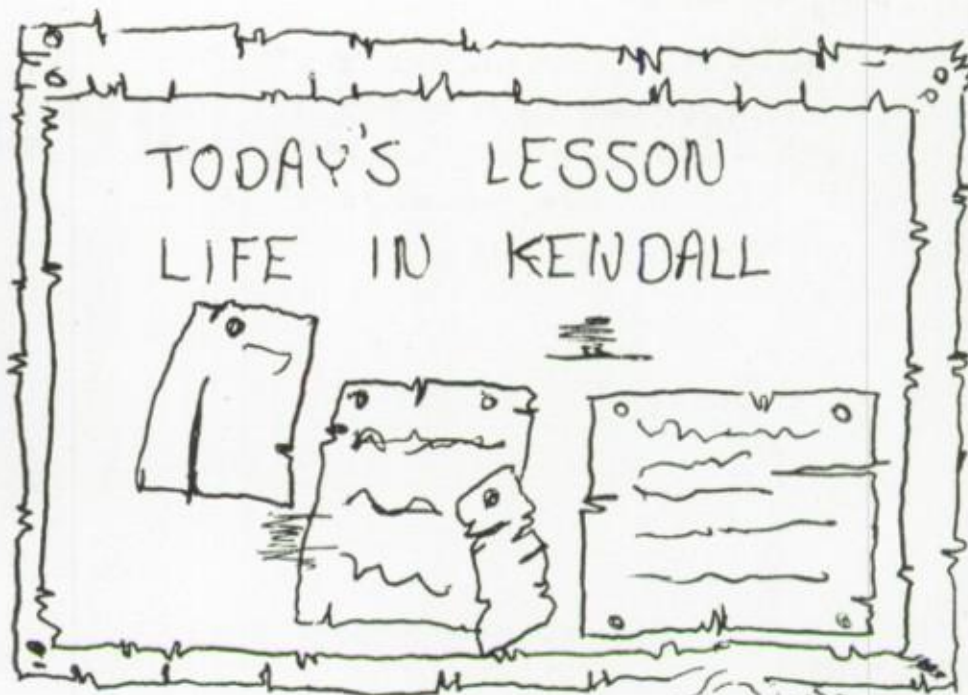

And don't do it.

You'll never get to it

to do it, again.

Dedication

The TROUBADOUR Staff dedicate this year's TROUBADOUR to all the people in our school community - our parents, our friends, our neighbors - You have loyally supported the school by your taxes, your contributions and your time. Without you we students would not have had successful magazine drives, dinners, dances, concerts or plays. You have supported all our sports events and have had a part in making us Number One. We want to thank you - one and all - and hope we will always be deserving of your support.

*Kathy,
Have a big
Turn to page 20!*

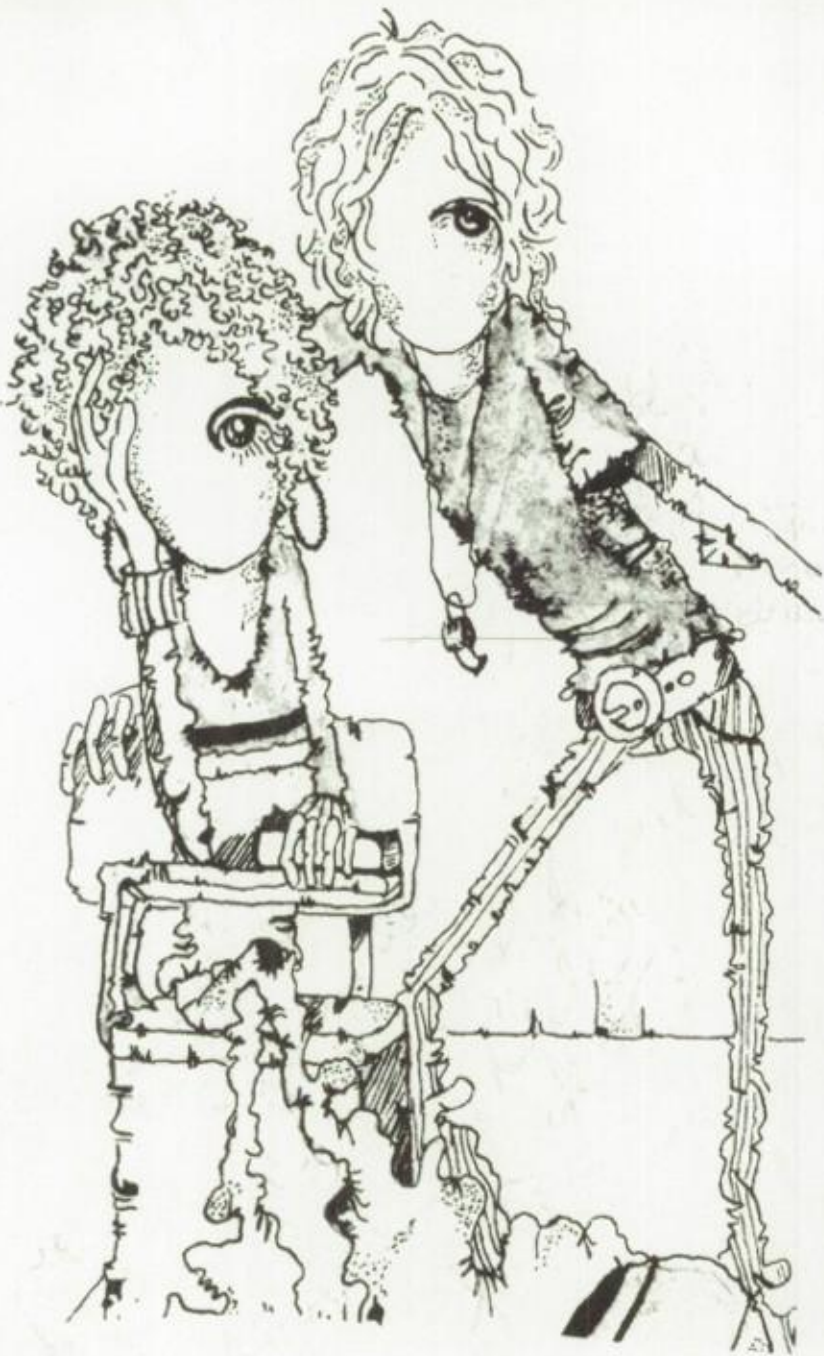

Remember the lessons,
Remember the fun . . .

Remember the homework
That never got done.

Kathy - your time is
well, you're really
glad you're gonna be out of
school. I hope we do see each other.
I'll really party hard in the summer.
When you're really partying, I'll be there.
Things are pretty good. I'll be there.
Keep on partying.
Take care of yourself.
Pat (Patsy)

The Class of '74, a tremendously active and enthusiastic class set out to make their last year at Kendall the greatest.

We began our activities as Seniors immediately after accepting the class key in the spring, when we officially became The Senior Class. Our first effort under the direction of Tracey Dragon and Debbie Patt was selling pop at the Kendall Babe Ruth baseball games during the summer.

In September we held Kendall's first Dance Marathon. September 27th began the Magazine Drive, headed by Patti Mowers. The Seniors surpassed their goal of \$6,000 by over \$1,000.

December 22nd was truly an evening of "Dreams of Christmas" for everyone who attended the Senior Ball. We decided to make its prom the best ever and successfully disguised the gym and commons, turning them into a beautiful, stunning land of Christmas.

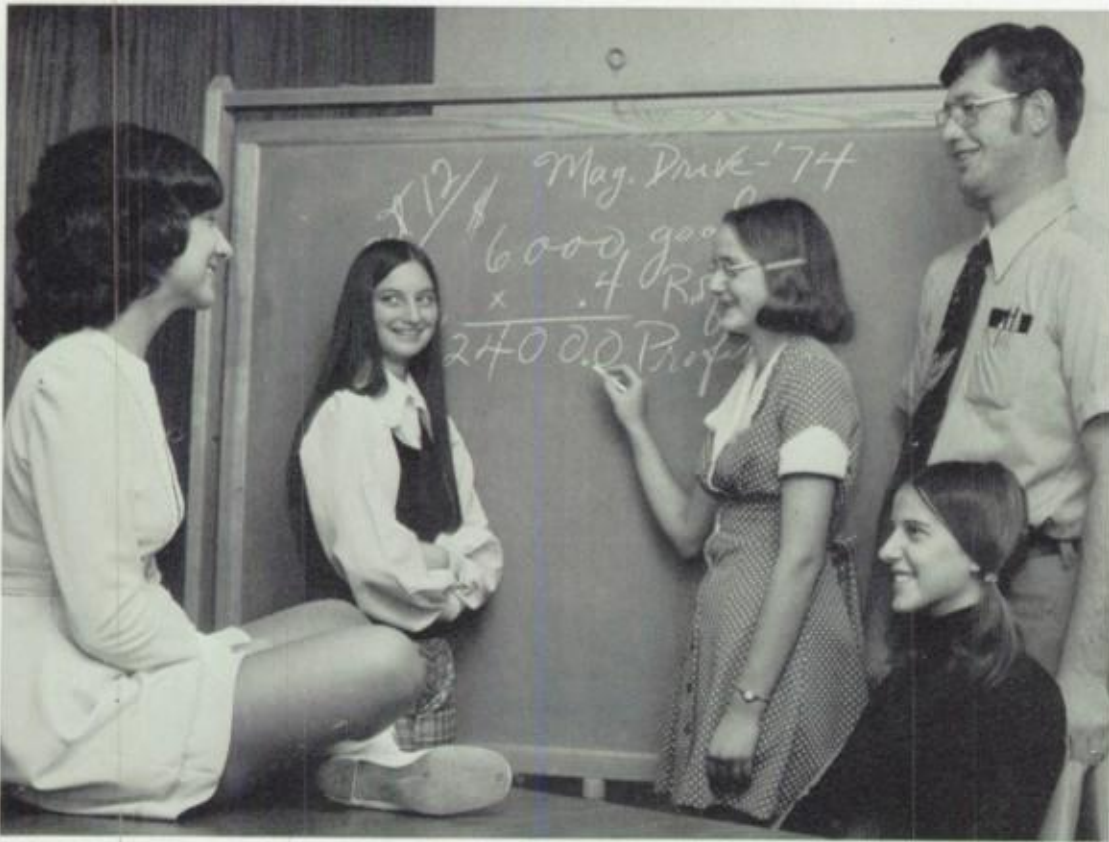

A special day in the spring was set aside as Senior Day. We presented a very successful assembly and relieved the teachers of their daily teaching tasks.

This year, the Seniors were able to obtain such privileges as occasionally eating outside and having an unsupervised "Senior Room" designated for each period. Everyone handled these privileges with maturity and cooperation and had no trouble keeping them.

We also reinstated many activities, such as the Senior bookstore, a Paper Drive, and a Senior Play. However, unlike any previous Senior Play, ours was held at the DeWitt-Clinton, with a buffet dinner, followed by the class's presentation of "Thurber Carnival."

Finally, on June 22nd, we became members of the "big world," as we received our diplomas, and our Senior year came to an end.

We would like to thank everyone who helped to make our Senior year what it was, especially Mr. Clow and our advisors, Mr. Gerbig, Mr. Hussong, and Mrs. Paine.

This yearbook staff thinks it has produced the best yearbook yet at KCS. We have tried to get away from the formal shots and have added many more informal pictures. The staff members have worked hard on write-ups, typing, and the photographs. Without Mr. Rowley's help, the yearbook would be nothing but blank pages. We hope you enjoy this 1974 yearbook.

This was a busy twelfth year for the EAGLE. Making headlines in the news all year was our first AFS Exchange student - Debbie Barnes. And then there were all our tremendous sports victories to report in soccer, basketball, wrestling and baseball. People in the news included Kevin Hughes, the first Kendall student to make it to the National Merit Finals. Mechanically headlines were improved by a new machine called a strip-printer which Mr. Wadhams got for the print shop. We are one of the fortunate-few schools with the facilities and staff to print our own paper.

F.F.A. — Kendall Chapter

EMPIRE DEGREE CANDIDATES

Under the leadership of President Mark Maynard the FFA developed its '73-74 program of activities. During the summer nine members attended State Leadership Camp. Six members competed in State Level contest; Lynn Rushbrook, Blaine Young, Grant Passarell, Tom Rath, Bruce May and Todd Young with Bruce and Todd placing third in the small engine trouble shooting contest. As school opened Kendall began the contest season by winning soil judging; paced by county leader Bernard Scheg, Grant Passarell, Blaine Young and Bill Hardenbrook. We placed second in tree identification and first in wildlife management, and third in vegetable judging. Four members applied for the FFA's Empire Degree - Paul Schwenk, Craig Herman, Warren Maynard, and Mark Maynard, with Mark running for state office. As a group the Chapter conducted its annual citrus sale and attended the New York Horticultural Society Winter show. Members attended a Rochester hockey game for recreation and held their annual banquet to recognize individual accomplishments and to acknowledge their parents' support.

The first activity of the year was a combined recreation and movie night held on October 30th. There was excellent attendance and everyone enjoyed ping-pong, pool, cards and volleyball. Student Council and the FHA worked together and sold refreshments at the home soccer games. We tried something new - we sold cold drinks during study halls; the kids enjoyed the chocolate and orange drinks quite a change from the drinking fountain. We took on a second new project - supporting a boy from Vietnam. In place of the Newark Drive we planned a Salvation Army Drive. Many thanks to Mr. Rosinski, our new advisor, for all the help this year.

Students' Action For Education

THERE IS NO LONGER A FUTURE TEACHERS OF AMERICA

Our name has changed - and so has our image. We are now officially the Students' Action for Education (S.A.E.). It is now an exploration into education, rather than an introduction to the teaching field.

To go with this we have expanded our tutoring program to include both the elementary school and high school. With the help of the National Honor Society, we continued to sell refreshments at home basketball games.

On October 25, the group was excused from school and travelled to the Al Siegel Center in Rochester. The members were able to observe patients in several different stages of occupational therapy and toured the entire center.

The Club held a Christmas Party at Phillip Brehse's house. Plans for a trip at the end of the year are now under way.

The F.H.A. started out the year by selling refreshments at Soccer games along with Student Council. Our other fund raising activities were our annual Christmas Candle sale and spring bazaar.

Community service projects included weekly visitations to the elderly at the Cupulo Nursing Home, free Christmas floral demonstration for the public, helpful projects for a mentally handicapped class in Albion, and Christmas caroling in the community.

The annual fashion show was held in the spring with over \$30 given in prize money. This experience was rewarding for members as well as other school participants. Social learnings included a formal initiation, a Faculty Christmas Tea, bowling, a mother-daughter tea, a banquet and summer camp.

National Honor Society

The members of the National Honor Society are chosen for their scholarship, character, leadership, and service. Each year this group holds its annual banquet honoring students who have shown scholastic ability.

This year the National Honor Society has decided to help the F.T.A. tutoring program by offering their assistance to students who need extra help in school work.

The club raises money by selling refreshments at basketball games. In the past the money has been awarded for scholarships and used for field trips.

The members would like to thank our new advisor, Mrs. Rabianski, for her time and help.

Respectfully,
Sue Ellen Jordan, Sec.

The Future Nurses Club of America started off the year with sixteen members. Every Thursday a group of three girls go to the Albion hospital as Candy stripers. In this program we help the nurses and nurses aides care for the patients. This is all voluntary work and it is very rewarding. We held a bake food sale to raise money for such funds as cancer research.

Most of the year's activities centered around service to others either in the school program or in local hospitals.

Kendall has an AFS Chapter and this year Kendall hosted its first Exchange Student ever: Deborah Barnes of Darwin, Australia. AFS stands for American Field Service and it is an organization devoted to International cooperation and peace.

The AFS began its first year with a car wash on a brisk September morning. The Harlem Diplomats benefit basketball game was a highlight of the year that was enjoyed by many. The AFS sponsored the annual talent show in March to help them toward their goal of sending and receiving an exchange student next year.

We have enjoyed Debbie Barnes so much this year, and wish her all the luck for anything she wants. A special thanks goes to Mr. and Mrs. Rohland, the host family.

Conservation Club

The Conservation Club is a newly formed club under the advisorship of Mr. Kent. The first meetings were devoted to getting organized and deciding what we hoped to accomplish this year. One major project was to plant trees for the town and individuals in the community to provide beauty and as an effort to help the energy crisis. We hope these trees will be used as wind breaks.

Junior High Band

The Junior High Band consists of music students from grades seven, eight and nine. However, not all students playing instruments in these grades are in the band. They must first meet the requirements and level of performance of the group before entering. The band has forty-five members and practices twice a week for forty-five minute sessions.

The band is used both as a training ground for young musicians and as a performance outlet for students' musical expression and endeavors. It also serves as a laboratory for promoting musical curiosity and for solving many musical problems. Music played covers a range from Bach to rock.

The Kendall Royal Blue Marching Band was very active during the summer of 1973. Besides taking first place in most of the parades, the band went to the State Band competition at Syracuse and placed third. The Color Guard and twirlers placed first, while the drum majorettes came in second. The band also had an overnight trip to Hamburg, New York.

The marching band has many plans for the coming summer. It was invited to participate in the Indianapolis 500 parade during May. It hopes to be very successful in 1974.

The Royal Blue Concert Band is comprised of the most outstanding student musicians in the senior high and their constant endeavor is to perform the highest caliber music with a great deal of proficiency. This year's Band has 72 student performers, 46 of whom were selected to participate in the Orleans All-County Band. The selections were made in January and 84 students were chosen from all Orleans County.

During this year the Band performed four evening concerts. Two concerts were "pop" concerts featuring music from the current Broadway hits and music from the "pops" charts.

THE NUTCRACKER SUITE by Tschaikowski and THE HALLELEJAH CHORUS by Handel were performed in the Christmas Concert.

The Annual Spring Concert in May was the Class of '74's final concert appearance as members of the Royal Blue Concert Band. Selections from the top grade level of the New York State School Music Association catalogue were performed.

Chorus —

DIRECTOR - Mrs. Grace Schlageter
ACCOMPANISTS - Susan Dunn, Phillip Brehse

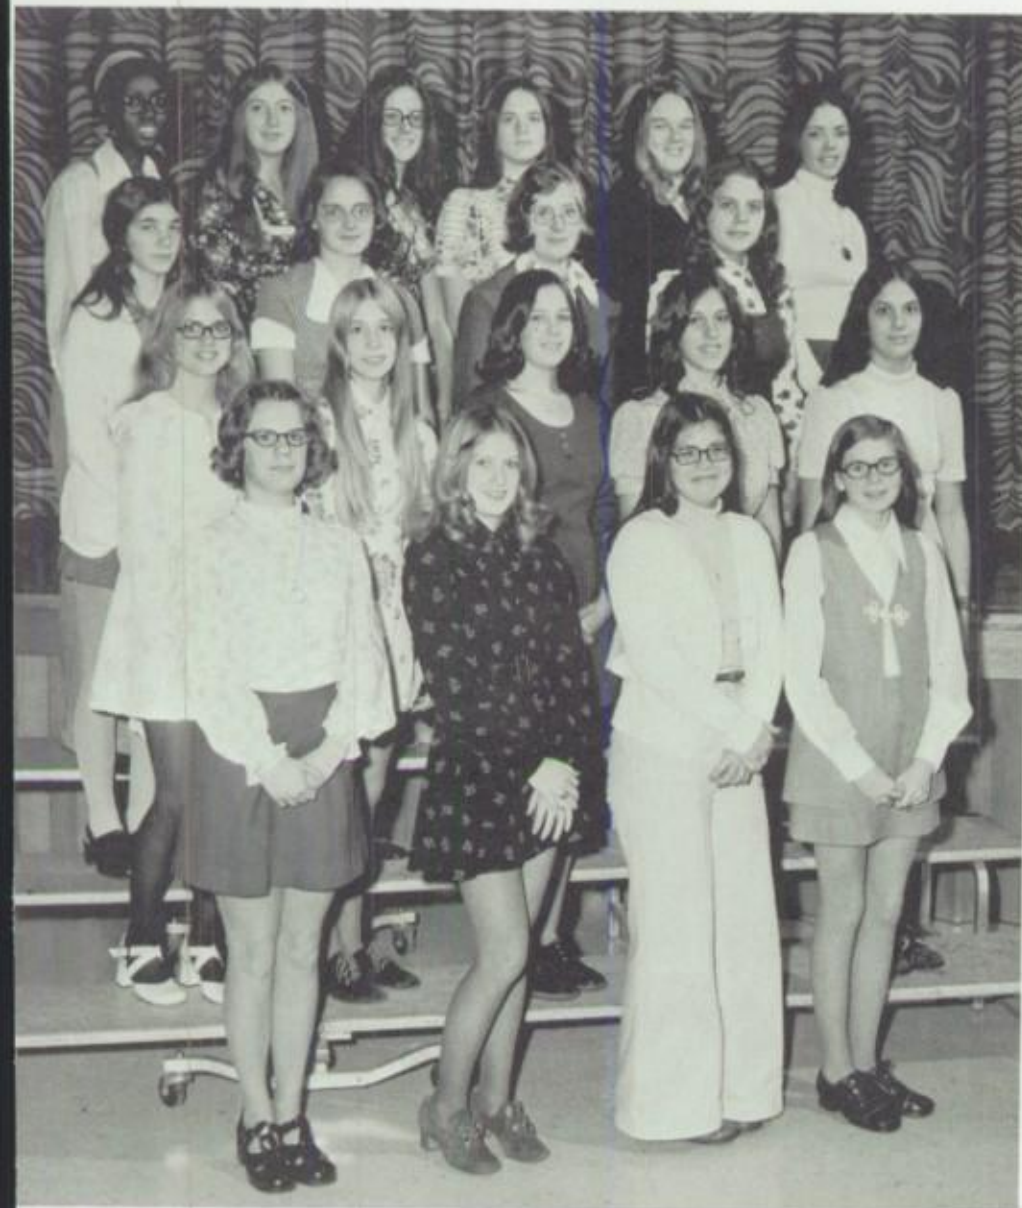

The Senior High Chorus under the direction of Mrs. Schlageter has had a very full year. In October we performed a combined Pops Concert with the Royal Blue Concert Band. In November eleven of the chorus members were chosen to participate in the All-County Music Festival in Medina. A week later eight members, Sue Dunn, Beverly Marion, Marjorie Sargent, Ronald Botting, Craig Lape, William Hardenbrook, Daniel Childs and Craig Murphy were selected for the All State Music Festival in Albion. For the Christmas Concert we performed the musical narration "This is Christmas" narrated by Michael Gaessar. Scenes played by members of the Junior High Chorus portrayed the message of the musical selections. Staging was directed by Roxanne Buell. In the Spring we performed selections from "Brigadoon." Our many thanks to Mrs. Schlageter for her help and patience.

The Junior High Chorus consists of about seventy-five members from grades seven and eight. We meet twice a week and have given two concerts this year. One on December 18, when we sang Lord of the Dance, Prince of Peace and African Noel. On January 29, we gave a concert entitled "We Believe In Music" which included a song by our newly formed group "Triple Trio Plus." Our future plans include the All-County Music Festival March 8 and 9 at Holley - twenty-eight of our members will participate. We will also present a spring concert.

Mask And Wig

The Dramatics Club started out the year with election of officers. Dale Hansen was chosen for our president, Cheryl Shepler - vice president, Kathy Redshaw - secretary and treasurer. Members of the club worked hard to perfect the first play of the year, THE GLASS MENAGERIE. Debbie Barnes, our first exchange student, was chosen to play the part of Laura Wingfield. Sue Dunn played the part of Amanda Wingfield, Laura's mother. Ron Botting played Tom Wingfield, Laura's brother. Ernie West played the part of Jim O'Connor, the gentleman caller. We hope next year will be as great as the past.

The Makings Of A Great Play!

The German Club

The German Club is an organization of students interested in learning some German and something about Germany. Without holding formal classes we learn some conversational German, such as colors, nouns, verbs, names, etc. rather than a great deal of grammatical German. We study the geography of Germany and learn the place names in German. When we hold parties, we have German refreshments. For one Christmas party we had German gingerbread and Christmas cookies.

SECTIONAL CHAMPS . . .

In the process of compiling a 13-6-2 record for 1973, the Eagle Soccer machine captured their fifth straight Genesee Regional League title and the section V-Class C Co-championships. The Eagles, captained by Dave Cole and Craig Lape outscored the opponents 55 to 30 with Jeff Reamer leading the team with 17 goals. Five Kendall boosters were named to the League All-Star team: Tim Tytler and Roger Tabor at fullback, Craig Lape at halfback, and Jeff Reamer and Mark Whipple on the line. The 14 graduating seniors extend best wishes to future K.C.S. teams.

J.V. Soccer

Kendall's Junior Soccer Eagles posted a 9-3-1 record. Co-Captains Tom Cole, John Mikels and Keith Whipple lead the JV'S which defeated Hilton, Bergen, and R.D.S. twice. Split even with Greece and Wheatland-Chili while losing to power Greece-Arcadia. The JVs played their greatest game of the year versus Holley downing the Hawks 4-1. Eighteen players scored or assisted for the well-balanced Junior Eagles. Scoring honors went to Keith Whipple with Nate Bouie, Craig Wolf, and Eric Zinsmeister close behind. Defensively Andy Keyser, Mark Maynard, Tom Cole and John Mikels assisted Goalie Jim Gerbig in holding the opposition to two goals or less eight time. Freshmen Gary Kludt, Phil D'Agostino, Ed Gaesser, Drew Montante and Bruce Marshall improved as the year went by. With a large class graduating from the Varsity, many of this year's JVs will be fighting for sports on the '74 Varsity.

Junior High Soccer

The Junior High soccer program expanded to five games this year. The Eaglets compiled a four and one record with wins over the Rochester School for the Deaf, Wheatland-Chili and Byron-Bergen; the loss coming during the second Bergen game.

It is hoped that, as interest grows in other schools, we will be able to expand the schedule to eight or ten games. The team wishes to thank the individuals who supported them during the season; especially the administration, scorekeepers, and parents.

The 1973-74 Junior Eagles won 6 and lost 12. The record really doesn't indicate the quality of the team as they lost 9 of the games by nine points or less. Four sophomores and eight freshmen made up the team so inexperience that hurt the team this year will help it next year. Craig Wolf captained the team and led it in scoring with 237 points.

Junior High Basketball

This year the Jr. High basketball team record was 10 wins and 6 losses. This season was the fifth straight year on the winning side. High caliber players are continuing a fine tradition.

The seventh grade ended their first year with a 7 and 1 record. The scoring of Ray Rutland and Jeff Vick combined with the rebounding of Emanuel Bouie sparked the offense. Daryle Burchfield and Jim Gaesser provided the defensive strength, and a fine bench of Scott Cliff, Randy Merle, Gary Smith and Kevin Gay provided added depth. The 8th grade ended two years with a fine 9 and 6 record. Bob D'Agostino's scoring and Frankie Betts' rebounding provided much of the key to victory.

The "Big One"!

1972-73 Basketball

The '72-73 Varsity Basketball Team with victories over Marion, York, Red Creek and Bloomfield, brought Kendall their first sectional crown. Going into the tournament Kendall was seeded first with a point total of 54. They defeated number 2 Bloomfield in the Finals.

The '73-74 Varsity Basketball team won the number one position in the section five seeding with a record total of 75 points. Bloomfield placed number two again. Enroute to the sectionals the Eagles captured the Genesee Region Division II championship - marking the fifth time in six years Kendall has been Division II champs. High lights of the season were school records in the following areas: 109 points in a single game. 40 points by Bruce Levandowski in a single game. Sophomore Roosevelt Bouie breaking cousin Aaron's sophomore scoring record of 289 points. Roosevelt led all scorers in Genesee Region League with over 17 points per game. Going into the last game the Eagles carry a 16-1 record.

This year the Kendall Varsity Wrestling Team placed second in their division. At the end of the season they were also second in the Genesee Region League. Their overall record was the best ever with twelve wins and four losses. The league record for the year was seven wins two losses to Lyndonville and Byron-Bergen. Next year, with added experience, the wrestlers hope to defeat these two teams. On February 23, ten Kendall wrestlers were qualified to participate in the County Wrestling Tournament held in Lyndonville. Kendall ended with four wrestlers in the finals. After their last match they placed as follows: Shane Graham, Ron Graham, and Tom Hennekey captured first's; Andy Keyser took a second; Hank Condrat placed third; and Jerry Kruger and Mike Gray took fourth. The results of these wins was a team score of 65 1/2 points, which was beaten only by Lyndonville. Congratulations are extended to the entire team for their effort all year long.

On March 1, our four finalists were sent to the Section 5 Tournament at Alexander. Although they all seemed to wrestle well none could win in the preliminaries. Special recognition goes to our three Senior members: Mark Whipple, Tom Hennekey, and to Ron Botting who was injured during the season.

The Junior Varsity wrestling team finished the year with a league of four wins and five loses. Their over-all record was the best ever with six wins and ten loses. This has been the most successful year yet for the J.V. team. One of the outstanding matches of the year was a victory over a tough Lydonville team 30-9.

On February 9, nine Kendall wrestlers traveled to Pembroke for the Junior Varsity Counties. After a very Successful day for Kendall we had seven wrestlers who placed.

BASEBALL '74

Graduation did not affect the Eagles last year because there were no seniors on the squad. With a good group of veterans returning the 5-6 Record should improve. School batting champ Dave Cole returns at Shortstop - His 525 batting average of last season set the record for all future Kendall batters to short at. Tom Hennekey returns at the catching spot and pitcher Roger Taber will see a lot of action. Ron Graham will be at 3rd base again this year and Jeff Reamer will anchor the outfield at his centerfield position. Reamer's 325, and Taber's 345 will add to the hitting punch. Keith Whipple, Tom Cole and Craig Wolf are expected to move up from last year's undefeated JV team. The JV Team will be counting on Henry Conrad, Lon Smith, and Tom Rath to provide the necessary nucleus for a good season. Much help is also promised from a very good crop of freshman who will take over the vacant spots of last year's team.

The 1974 version of the KCS golf team places its hopes on four returning letterman. Last year's linksman league compiled a 9-3 record in the G. R. finishing in second place. Dale Hansen, Craig Lape, Eric Zinsmeister, and Mike Jurhs also will be striving to make the sectional team which represents the league. Coach Gerbig feels that golf has become a major sport at K.C.S. and league championships are in the near future.

Girls' Soccer Team

Girls have entered the sports scene at Kendall and many of the surrounding school districts. If enthusiasm is an indicator, a stronger sports program may well appear for girls in the future.

This season, Kendall girls competed in extramural soccer, winning three of the four games played. Girls' soccer rules are very similar to boys' rules with few exceptions. The major difference coming in scoring - girls receive two points for each goal and one for a penalty goal.

Cheerleaders

The 1973-1974 Junior Varsity and squads consists of 15 girls. Five are first year cheerleaders, three in their year, five in second year and two are completing their fourth and final year.

On June 24, seven girls left for Mercyhurst College in Erie, Pa. for a five-day cheering camp. No awards were brought home, but many new ideas and cheers were.

Even without the awards at cheering camp, we were awarded some money to buy new varsity uniforms, all squad sneaker pom poms, and socks for the 1974-1975 season.

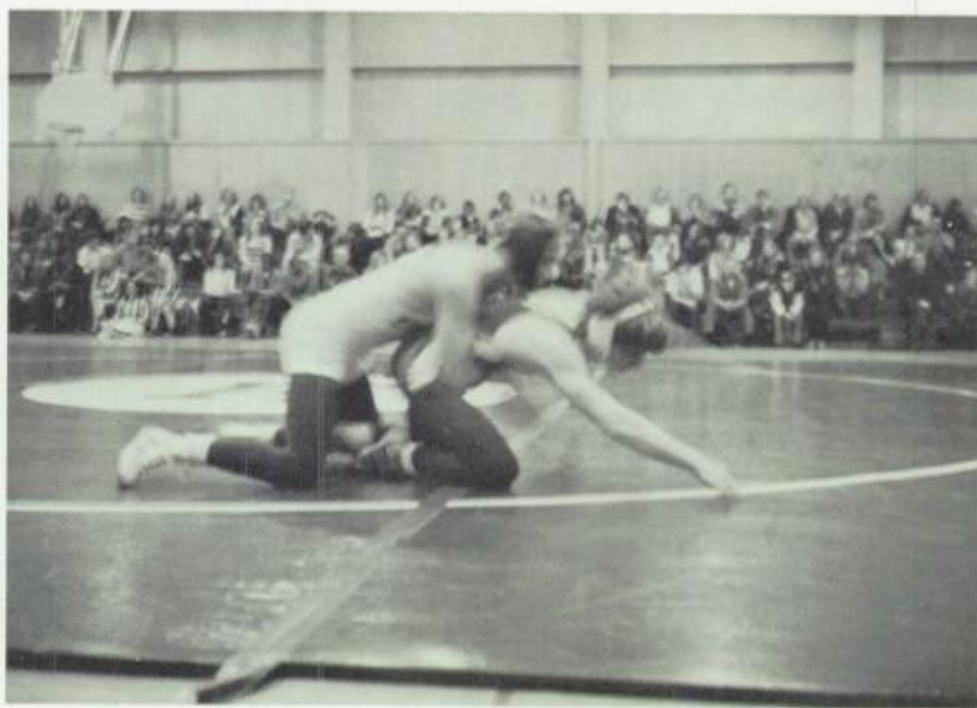

Go get 'em Kathy.

Rabbit!
Rabbit!

Have a good
time & party
alot - see ya
this summer,
mm 74!

Kathy,

Have lots of fun this summer
(I know you will anyway) Take
it easy with that new motor-
cycle it sure is nice! Don't get into
too many accidents like the one
we had with your other one, that
wouldn't be funny any more.
Good luck with Kenny, Bill and
all those crazy parties you guys
have. Don't work yourself too hard
this summer, but have lots of fun.

Love,

David

Class Of '77

The first month of school found us the newest class and hard at work to raise money for activities. We held a donut sale and got a lot of sugary kids and fifty-five dollars profit. Our class day was March 1, and our dance "Draggin the Line" featuring TRUCKIN' was March 2. We also held a car wash in the spring.

Many kids have worked hard and put forth a lot of effort. Four of them were elected to Student Council; Ira Fair, Jeanne McFarland, Karen Schuler, and Prisilla McClellan.

With everyone planning and working hard to make a go of it, it turned out to be a great year!

Sophomore Goings On . . .

The Class of 1976 started its Sophomore year with one of several donut sales held throughout the year. The result was a lot of sugary people. Our biggest money making project for the year was our "Christmas Film Festival," with Santa Claus, which was held for the Elementary students. We had girls dressed as elves as our publicity stunt. They received many weird looks, but all in all, it was very worthwhile. Next on the agenda was our movie, "Kellys' Heroes," a pizza party, and record hop. All in the same night! We Sophomores made the pizza with our own hands, which of course was very exciting and interesting. As long as it was snowing, we had a snow party at Philip Brehse's pond. Skating, sledding, and a bonfire were part of this energetic project. We then had a class week which ended up with a concert we gave along with other organizations the day before Easter Vacation. Last, but not least, we held our dance on May 17 which proved to be quite successful. The class would like to express thanks to everyone who made this a very successful class year. Also, we would like to extend a special thank you to our advisors, Miss Brinkerhoff, Mr. Porter, and Mr. Kent.

 Karen Waye - VICE PRESIDENT
 Mr. Greenlee - ADVISOR
 Joan Smith - SECRETARY

The Class of '75 started its Junior year with success.

At our dance Dan Oliver was prince and Bonnie Eakin princess.

Our car wash came next, and it was a lot of fun,

We even made money. Well? We made some.

Later we helped the Seniors with their Christmas Ball,

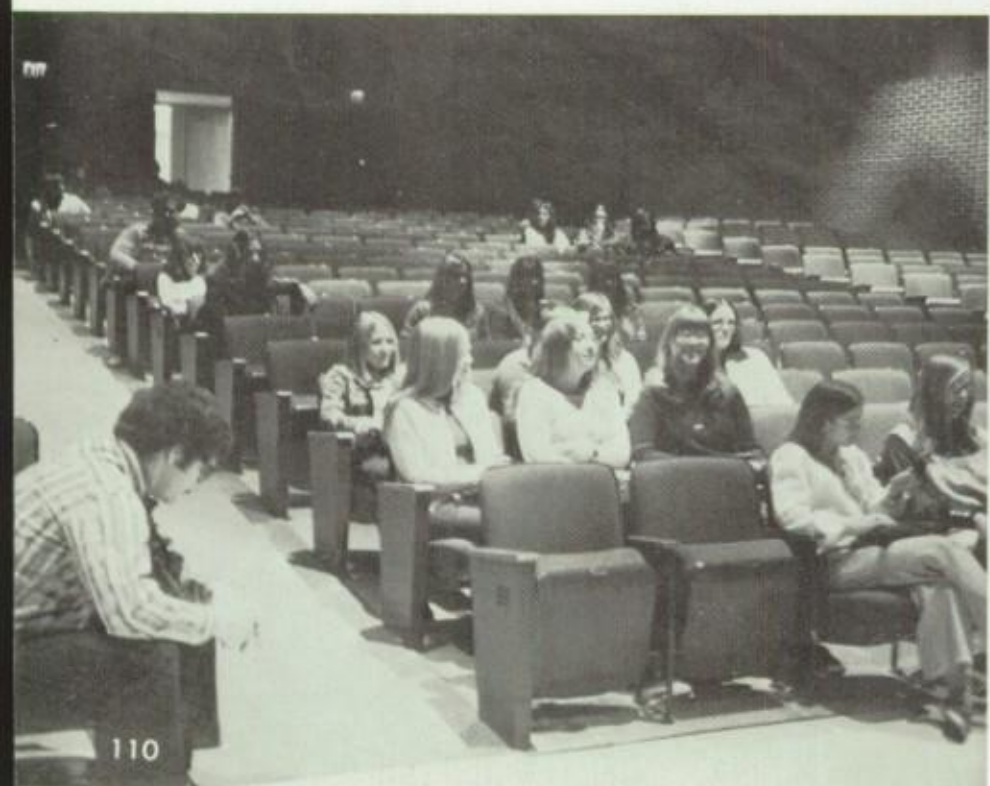

With coat check, refreshments, decorations, and all.

The Annual Fish Supper was our next undertaking,

That's where we really got into the money making.

We give our thanks to all, especially Mr. Greenlee, Mr. Morey, and Mrs. Rabianski,

For Making this year as enjoyable as it possibly could be.
